

HIGH TYPE & SHOW STYLE

CALORI-D CL BEEMER PISCH EX90 3YR OLD - DAM OF PILEUP

Sarah Damrow

AUTUMN 2019 HIGH TYPE RANGE

As you now know, Genus ABS hosts a wide range of sires with something to suit everyone. As part of our global business, we are pleased to run the St Jacobs ABC programme. A leader in the field of High type sires and a house hold name within many breeder herds and show rings around the world.

Headed by Brian Behnke - St Jacobs Business manager in the USA the company has been responsible for many of the great show sires such as; **Regancrest DUNDEE**, **MS Atlees SHT AFTERSHOCK**, **Scientific DESTROY** and in recent times **Maverick CRUSH** & **Brenland DENVER**.

This edition of the High type portfolio has been whittled down to some of the latest and hottest sires that will breed heifers with show style but also perform where it matters day to day back home.

New additions this time include **Aardema IMPACT** who has it all; Production, Fertility and awesome type but not extreme stature! he also adds teat length. He descends from the same family as **Maverick CRUSH**, **Crasdale CHILL** and **Blondin Zimmer CAPTURE**.

Conroy Armani O'KAFFEINE now has a full proof and his daughters have been very impressive so far, he can be found towards the back of the catalogue along with former global number one type sire **BLAKE** and the sensational **HYPNOTIC** all of whom can be attractively priced.

Finally from the Genus ABS stud we have selected 6 high type stars that include **RUBELS RED** the best Red sire ever to be launched in the world. **DRAFTER** a high-type Hurricane son from a Pepper Dam back to the famous Relough Danna family. And **SPLENDIFEROUS** a product of our DeNovo programme a joint venture with De-Su Holsteins.

If you would like any more information on these unbelievable sires then please contact your local Genus ABS representative.
