The \$60,000 sale topper at the Banquet Sale 2021. Quarter Pounder features all we expect from Banquet, muscle expression, weight for age, heavy flesh, deep bodied and power.

In terms of what we see today Quarter Pounder combines all the EBVs traits with phenotypic style.

For those that love to review pedigrees Quarter Pounder is solid gold -
▪ Four crosses of the Kiwi Dream M41+92, matriarch to many great Angus cattle including being gdam of Dream Y301
▪ Four crosses of Hingaia 469.

The pedigree is loaded with great Banquet ancestry and features.

Banquet sale toppers of the past sales Waltana (\$19,000), Xplanation X060 (\$30,000) and TimeFrame (\$50,000).

Quarter Pounder's sire Gaffa G4, "adds length of body and extension of neck to his progeny while maintaining the traditional depth and thickness of the Banquet beast" (Banquet reference sires 2021). Gaffa's dam Dream E096 was purchased for \$38,000 at the Vermont Dispersal.

Q252's dam, L131, has calved each year with a 366 day spread and gdam J248 has calved every Spring.

Quarter Pounder Q252 is potentially the star sale bull of 2021, as he covers all bases of royal pedigree, great phenotype with matching EBVs!

Owned by Woonalle, JT Angus, Millah Murrah and ABS Australia.

(AMF-NHF-CAF-DDF-MAF-OSF-OHF-DWF-MHF-RGF)

With outstanding phenotype and structure, useful pedigree diversity, brilliant maternal background and a balanced easy to apply EBV set, Quixote combines all the elements of the truly great Stud sires.

- Quixote is the \$60,000 high selling bull from the 2020 Millah Murrah bull sale where 78 bulls averaged an Angus record of \$20,384. His two ET brothers sold the same day at \$40,000 & \$26,000, giving the trio a \$42,000 average
- Quixote presents an outstanding new bloodline with widespread commercial & seedstock application
- From the maternal angle Quixote is unsurpassed in the breed worldwide. Combined with his awesome physical dimension & carcass composition, he is generating enormous interest
- N8 is the first calf of Brenda L73 who fetched \$30,000 in 2017 and is the maternal sister of Loch Up L133, the \$85,000 high selling bull of the breed in 2016. They all descend from the legendary Millah Murrah matriarch Brenda Y33
- On the top side of the pedigree is Chisum 255, without doubt one of the best phenotype US bulls ever to come to these shores. Chisum 255 is backed by Blossom 0278, a cow widely admired as the best of her generation at Spickler Ranch

Quixote is an impressive bull to witness, possessing a strong head, excellent feet, full flank, with meat right along the top line. He is an utter gentleman to handle. Quixote was a clear 1st among his contemporary group for average daily gain, weighing a stunning 836kg aged 17 months - 100% grass raised, with a frame score of 6 and a whopping 45cm scrotal circumference.

Red Mikado, ein prächtiger roter Angus-Bulle, schneidet in Irland im Hinblick auf seinen Replacement Index sehr gut ab. Außerdem ist es bei ihm auch um die weiteren Merkmale der Angus Rasse gut bestellt. Die Mutterlinie verfügt über eine gute Fruchtbarkeit und schneidet innerhalb der Rasse auch für die Milchleistung gut ab.

Der Bulle wird von unserem Partner als „exceptionally quit“ beschrieben. Das bedeutet, dass er einen sehr guten Charakter besitzt. Red Mikado verfügt über eine ausreichende Länge und eine gute Oberlinie. Außerdem legt er eine gute Bemuskelung an den Tag. Dieses Bild spiegelt sich in seinen Nachkommen wider.

Red Mikado hat gute Werte im Hinblick auf den Kalbeverlauf und zwar sowohl für die Reinzucht wie auch für die Gebrauchskreuzung vorzuweisen. Er wird in Irland auch zweifelsohne für die Reinzucht eingesetzt.
